

Domino® Batch Ready Bag®

Today's Beverage Success Comes in Batches

Simplify your beverage program with the Domino® Batch Ready Bag®. Sized to sweeten 3-gallons of popular housemade beverages like iced teas and lemonade, it delivers consistency and ease-of-use in every batch.

Domino® Batch Ready Bag®

BATCH READY BAG®

Consistent Sweetness With Every Batch.

We've created the Batch Ready Bag with your challenges and demands in mind. Designed to make your beverages perfectly sweet and your operation run more smoothly.

Benefits Include:

- Delivers consistent beverage quality and calorie counts in every batch
- Eliminates measuring to save time and labor
- The convenient pull-apart seal opens easily and without the need for a cutting tool
- Prevents direct contact with product, eliminating any contamination risks
- Offers ease of storage and handling versus heavy bulk size bags
- Packed in convenient single-use pillow pouches
- Provides assurance of quality knowing that it is Domino® Pure Cane Sugar: the trusted brand of sugar for generations of consumers and foodservice professionals

Custom sizes are also available, ranging from 1- to 5-pound bags. If our standard 3-pound bag doesn't fit your operation's needs, let's work together to create a size that's just right for your beverage program.*

**Minimum volume requirements do apply. Please inquire with your ASR Group sales manager.*
