Florida Crystals®. Honest to Goodness Sugar™

While our sugar is sourced from sugarcane grown in the U.S., the benefits don't stop there.

- At Florida Crystals®, we manage every step of our sugar crafting, so you know you're getting the quality and consistency your customers demand.
- We come from a long line of passionate and committed farmers dating back for over 150 years.
- From our family-owned farms to our mills to the packet, we have full transparency in each step of our sugarcane's journey.
- Our precision agriculture approach allows us to use fewer resources and improves the quality and quantity of our sugarcane yields.

Florida Crystals® Turbinado. Richness in Every Sip.

Our Turbinado cane sugar features large, amber crystals that make it particularly suitable for sweetening hot beverages, as they melt slowly and infuse their rich aroma and distinct earthy flavor into every sip. And it has other great benefits:

- From Homegrown Sugarcane
- Non-GMO Project Verified
- Vegan
- Gluten-Free
